ELE1

ELEVATOR LOBBY ART FEATURES (\$ 4000.00 – 6000.00 each)

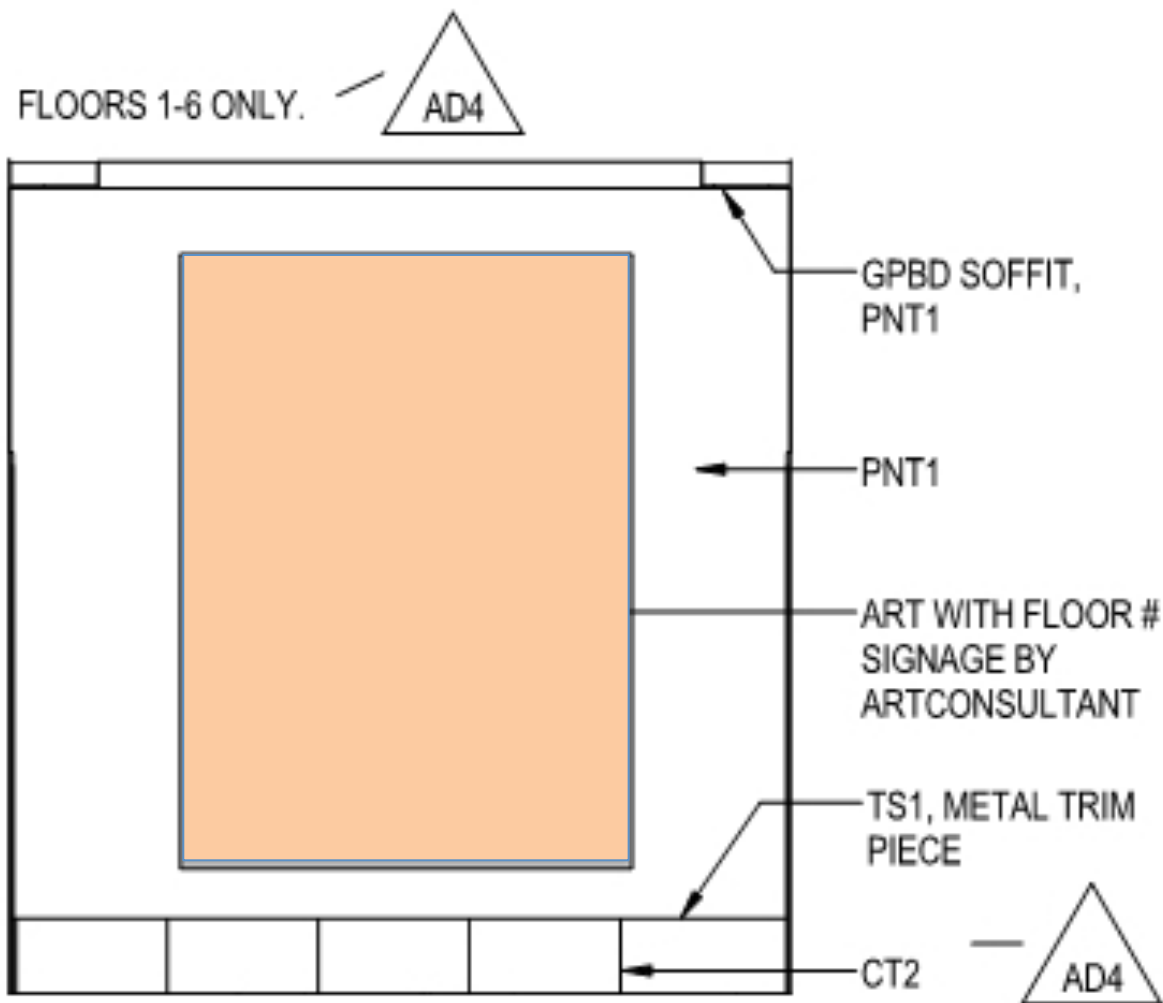

Large site-specific work of art in each of the six elevator lobbies, Floors 1-6.

Each work will serve as a memorable visual cue or landmark to help visitors navigate through the facility.

The work of art will measure a minimum of 6' wide x 8' high and interpret a project theme. Original works in any media will be considered, including but not limited to, glass, ceramic, mosaic, oil/acrylic and mixed media. The work will need to be suitable for a high traffic public space.

See Attachment A: Art Themes and Intro Packet for project color palette and designated colors for each floor. Note we are not requiring a color-coded work of art based on the floor color as shown here in the architect's elevation.
